To

The Revenue Secretary
to the Government of Mysore
Bangalore

Sir,

I have the honor to state for the information of Government that up to the end of July last, the Dy Amildar was drawing the marginally noted items of monies from the Taluk Treasury at Channapatna and disbursing them to the parties.

2. On 2nd August 1895 Mr C. Raghavachariar the Asst Division

1. Contingent allowances.
2. Pay of the Dy Amildar and his Establishment including Sheikdars & peons.
3. Pay of Hobly School Masters.
4. Allowances of Chattrams Masjids & temples.
5. Pay of the Travellers' Bungalow Establishment.
6. Pension allowances.
7. Amounts of cheques payable from Municipal, District Fund, Local Funds General and Inamat.
8. Potagi allowances of Potels & Shanbhogues.
9. Pay of Police Establishment.

Officer issued an order to the Amildar deprecating the practice of remitting to the Dy Amildar all the moneys payable to the Establishments, in the Closeset Sub Taluk as it would diminish the Treasury Officer's responsibility and directing that the pay of the Police Establishment should be disbursed through the Police Inspector, that the Establishment of the Travellers' Bungalows and the Mohely School Masters should be paid through the Shickdars and that payments on account of the Establishment of the Sub Taluk and on account of Municipal and Local Fund works should be made in the Taluk Treasury only:-

3. The practice alluded to in para 2 was in existance from a long time and in October 1893, the present Taluk Sheristadar asked instructions as to its continuance. Enquiries were

payments to Hobly School masters and the Police. They should be adhered to. Attention is drawn to Govt Prs. No. 2843-52 G7443-92 dated 11th August 1893 in re payment of Police Establishment at outstations.

7. Item 6. Payment of pension allowances should be made in the Taluk Treasury as per rules on the subject. It is believed that Pensioners rolls are presented in the Taluk and not Sub Taluk office.

8. Items 8. The Potagi of village servants has been ordered by Government to be paid in the Taluk Head Quarters. It is mostly done by adjustments. The Government order on the subject should be adhered to. The Dy Amildar should keep the Taluk Treasury informed of the deductions to be made from the allowances on account of fines &c.

9. As regards salaries, article 63 of the account code — — — is plain. The head of an office who signs the bill is responsible for the distribution of every salary drawn on it. The Dy. Amildar is the head of the Revenue, Excise, Forest, Varamat, Inam, Municipal and District Fund Establishments in his Sub Taluk and is the Officer to make the Barawards which should be treated and Cashed in the same way as are the pay bills of the Sub Division Officer and his Establishment, the Post Offices, Public Works Department &c. But it will be necessary to make due and efficient arrangement for the escort of the money from the Taluk Treasury and for its custody till complete disbursement. The amount including the Sub Division Officer's salary may exceed one thousand rupees

The task of escorting the money from Chemapatna to Closepet will have to be imposed on the Police and so also that of guarding it till disbursed. An iron safe may be kept in the Kasba Police Station, and the Key may be with the Dy Amildar, the safe being looked after by the Police in the Station. It will be inconvenient if the Sirnashtas of the office and Shekdars of the Sub Taluk Hoblies and Peons should run away to Chemapatna to the detriment of their work especially so if the Municipal scavengers go away on this plea.

10. The Taluk Treasury Officer will be responsible to see that the vouchers are in proper form and that the amounts drawn on bills are accounted for as per rules in that behalf.

11. & is closeset is the Head Quarters also of the Sub Division Officer, he will, as frequently as he can, examine the cash and accounts of the Dy. Amildar and satisfy himself that they are correct.

I have the honor to be.

Sir

Your most obedient Servant

READ THE FOLLOWING—

I. Letter No. 409, dated 30th October 1895, from the Deputy Commissioner, Bangalore District, to the Revenue Secretary to the Government of Mysore.

I have the honor to state for the information of Government that up to the end of July last the Deputy Amildar was drawing the marginally noted items of monies from the Taluk Treasury at Channapatna and disbursing them to the parties.

1. Contingent allowances.
2. Pay of the Deputy Amildar and his establishment, including shekdars and peons.
3. Pay of Hobli School Masters.
4. Allowances of chattrams, masjids and temples.
5. Pay of travellers' bungalow establishment.
6. Pension allowances.
7. Amounts of cheques payable from Municipal, District Fund, Local Funds, General and Maramat.
8. Potgi allowances of patels and shanbhogs.
9. Pay of Police establishment.

2. On 2nd August 1895, Mr. C. Raghavacharlu, the Sub-Division Officer, issued an order to the Amildar deprecating the practice of remitting to the Deputy Amildar all the monies payable to the establishments in the Closepet sub-taluk, as it would diminish the Treasury Officer's responsibility, and directing that the pay of the Police establishment should be disbursed through the Police Inspector, that the establishment of the travellers' bungalows and the Hobli School Masters should be paid through the shekdars, and that payments on account of the establishment of the sub-taluk and on account of Municipal and Local Fund works should be made in the Taluk Treasury only.

3. The practice alluded to in para 2 was in existence from a long time, and in October 1893 the present Taluk Sheristadar asked instructions as to its continuance. Enquiries were made as regards the procedure observed in the sub-taluks of the Tumkur and Kolar districts, with the result that the practice in this district was found to be the same as in the other sub-taluks alluded to. No definite order was passed on the subject. The correspondence shows that the District Treasury Officer wrote to the Deputy Commissioner to hold the Deputy Amildar "personally responsible for all monies he receives from Channapatna" and that "he must keep an account of them and must preserve the daily balance in the Kasba station under lock and key in a box," and the late Mr. Mir Shujayet Ali Khan Saheb approved of it.

4. Mr. C. Raghavacharlu should not have disturbed the practice recognized by the Deputy Commissioner but should have represented the circumstances and sought modifying orders. But this question having arisen, I consider it important that the matter is worthy of consideration of Government, with a view of directing the proper course and of securing uniformity.

5. The Deputy Amildar is responsible for the permanent advances and imprests granted to him, and payments made to parties out of them have to be recouped as per rules laid down in that behalf. The Taluk Treasury Officer need not demand the presence in his Treasury of parties supplying office contingencies, &c. Cheques issued in favor of private parties should be cashed and paid in the Taluk Treasury, and the Deputy Amildar informed of the same for his statistical purposes. This disposes of items 1 and 7.

6. Items 3 and 9. There are special rules as regards the payments to Hobli School Masters and the Police. They should be adhered to. Attention is drawn to Government Proceedings No. 2843-52—G. F. 443-92, dated 11th August 1893, *in re* payment of Police establishment at out-stations.

7. Item 6. Payment of pension allowances should be made in the Taluk Treasury as per rules on the subject. It is believed that pensioners' rolls are preserved in the Taluk and not Sub-taluk office.

8. Items 8. The potgi of village servants has been ordered by Government to be paid in the Taluk Head-quarters. It is mostly done by adjustments. The Government order on the subject should be adhered to. The Deputy Amildar should keep the Taluk Treasury informed of the deductions to be made from the allowances on account of fines, &c.

9. As regards salaries, Article 63 of the Account Code is plain. The Head of an office who signs the bill is responsible for the distribution of every salary drawn on it. The Deputy Amildar is the Head of the Revenue, Excise, Forest, Maramat, Muzrai, Municipal and District Fund establishments in his sub-taluk, and is the Officer to make the Barawards which should be treated and cashed in the same way as are the pay bills of the Sub-Division Officer and his establishment, the Post Offices, Public Works Department, &c. But it will be necessary to make due and efficient arrangement for the escort of the money from the Taluk Treasury and for its custody till complete disbursement. The amount including the Sub-Division Officer's salary may exceed Rs. 1,000. The task of escorting the money from Channapatna to Closepet will have to be imposed on the Police and so also that of guarding it till disbursed: An iron safe may be kept in the Kasba Police Station, and the key may be with the Deputy Amildar, the safe being looked after by the Police in the station. It will be inconvenient if the gumastas of the office and shekdars of the Sub-Taluk Hoblis and peons should run away to Channapatna to the detriment of their work, especially so, if the Municipal scavengers go away on this plea.

10. The Taluk Treasury Officer will be responsible to see that the vouchers are in proper form and that the accounts drawn on bills are accounted for as per rules in that behalf.

11. As Closepet is the Head-quarters also of the Sub-Division Officer, he will, as frequently as he can, examine the cash and accounts of the Deputy Amildar and satisfy himself that they are correct.

II. Docket No. 468, dated 23rd November 1895, from the Deputy Commissioner, Bangalore District, to the Revenue Secretary to the Government of Mysore.

The Revenue Secretary's No. 4503—R. 1762, dated 8th instant, *anent* the disbursement of the pay of certain establishments of the Closepet sub-taluk by the Deputy Amildar.

Adverting to the above, has the honor to submit copy of Mr. C. Raghavacharlu's Order No. 64, dated 2nd August 1895, and to state that orders are solicited on the following points :—

(1) Whether the monies to be drawn and distributed by the Deputy Amildar may be sent to him from the Taluk Treasury?

(2) The arrangements to be made for escorting the remittance and guarding the undisbursed amount remaining in charge of the Deputy Amildar.

(3) What establishments should be paid by the Deputy Amildar ?

III. The following communications from the Deputy Commissioners of other Districts, reporting the practice prevailing in the Sub-Taluks of their Districts, in regard to Deputy Amildars drawing and disbursing amounts due on account of pay of establishment, contingencies, &c., in such Taluks.

IV. Letter No. 3766, dated 20th January 1896, from the Comptroller, Mysore Government, to the Revenue Secretary to the Government of Mysore.

With reference to your docket No. 5363—R. 2086, dated 9—12th December 1895, forwarding, for opinion, copies of correspondence between his office and the Deputy Commissioner, Bangalore district, in regard to the practice of disbursing the pay of certain establishments of the Closepet Range by the Deputy Amildar, I have the honor to state that I agree generally with the Deputy Commissioner; only such fixed charges, such as contingencies, pay of Deputy Amildar's establishment, both Revenue and Municipal, need be drawn by the Deputy Amildar and disbursed, and for which he will be held personally responsible.

No. 3831-9—Fl. 360, dated Bangalore, 8th November 1900.

Order thereon—The reports read above show that in most of the sub-taluks, it has been the practice for Deputy Amildars to draw from the Taluk Treasuries only such fixed charges, as contingencies, and pay of sub-taluk establishment, both Revenue and Municipal, and disburse the amount to the persons concerned. In agreeing generally with the Deputy Commissioner, Bangalore district, the Comptroller states that only such fixed charges, as contingencies, pay of Deputy Amildar's establishment, both Revenue and Municipal, need be drawn by the Deputy Amildar and disbursed, he being held personally responsible for the same. The Government concur in the view taken by the Comptroller, who is requested to issue needful instructions to all Deputy Commissioners, with a view to ensure uniformity of practice in all sub-taluks.
